eQSL Display Format  
☐ JPG  
☒ PNG  
(You must log out and log in again if you change this selection)

☐ Do not publish exact amount of my donations

☐ Allow me to easily see new countries per mode and band in my Inbox and archive the rest  
(Note: Your Inbox will load about 2-3 times slower than normal, so we limit your view to 500 instead of 2000. But try it, and if you don't like it, come back here and uncheck the box.)

☐ Allow new attached accounts to be created on-the-fly during real-time logger uploads when I am at a QTH not currently on file  
(Note: Only certain loggers support this feature. New accounts will have a nickname consisting of the word MOBILE followed by a dash and then the Grid Square)
